

## Wolff's Rowdy Rangers

You were expecting scores and you got this page instead and you're wondering why? Because;

The match hasn't been shot yet. Or...

They haven't had the time to post the scores. Or...

Scores weren't received. Or...

The match was rained out. Or...

The match was canceled. Or...

The cowpoke that posts the scores is in the calaboose.

Patience pilgram.
